EXPERIENCE

THE KASHMIR MONITOR | IT HEAD & ONLINE EDITOR

Jul 2017 - Present | Srinagar, IN

ALBASIR | VP ENGINEER

June 2023 – Present | Mohali, IN

- Led team to redesign website, showcasing Kashmiri crafts.
- Managed cloud migration for better performance and security.
- Oversaw digital content and marketing for online growth.

TELEPERFORMANCE | CUSTOMER SERVICE ASSOCIATE

Aug 2022 – Dec 2022 | Mohali, IN

- Worked in Flipkart (Banglore) process, handling customer interactions over social media platforms to address queries, resolve issues, and provide effective solutions.
- Managed customer support during Big Billion Day sales, ensuring response times under *2 min* to handle high volumes of queries efficiently.

13 GRAMS | WORDPRESS DEVELOPER

Jan 2014 – May 2016 | Srinagar, IN

- Transitioned from Drupal to WordPress.
- Developed custom WordPress themes and plugins to meet client needs.
- Optimized WordPress sites for performance, SEO, and scalability.

PROJECTS

LINEAGEHOST | FOUNDER & CLOUD ENGINEER

Aug 2021 – Present | Srinagar, IN

Provided affordable web hosting and cloud solutions to customers in Kashmir. Worked with a team to offer reliable and cost-effective services to businesses and individuals in the region.

KASHBOOK | Co-FOUNDER

May 2016 – May 2013 | Srinagar, IN

Designed and developed a Facebook replica, **Kashbook**, with my co-founder during the social media ban in Kashmir. Provided a platform for users to stay connected despite restrictions.
